

Marino Marin

Marino Marin is the Managing Principal at MC Square. He has over 25 years of principal investment and investment banking experience. Mr. Marin currently serves as an independent director on various boards both of US and European companies.

Prior to founding MC Square Group, he established 1055 Partners, a principal co- investment platform in New York. Mr. Marin was previously a managing director at Silverfern Group, a global investment firm. Earlier in his career, he worked at Laidlaw & Co. in New York where he focused on consumer and industrial corporate clients, financial sponsors and family offices.

Mr. Marin was responsible for establishing and running the M&A department of Unicredit Banca Mobiliare S.p.A (UBM), the investment banking division of UniCredit, one of the largest banks in the Eurozone. Based in Milan, Mr. Marin served as an adviser on more than 50 transactions valued at over \$70 billion in the consumer products, industrial and financial institution sectors, for clients including Telecom Italia and the FIAT Group. Prior to UBM, Mr. Marin spent nine years in M&A with Rothschild, Lehman Brothers, and UBS Warburg in New York. He began his career in Milan at Mediobanca, where he was part of the Servizio Finanziario and served as a statutory auditor for Mediobanca's SADE Finanziaria. Mr. Marin earned his laureate degree in Business Administration from Luigi Bocconi University, Italy and attended the PIM in Esade, Spain. He speaks English, Italian, Spanish and Portuguese. He holds FINRA Series 24, 7, 63, 79 and 99 securities licenses.
